

“A special thank you for making the friends of the library tea so delightful and special. The tea sandwiches and lemon squares were outstanding. Everything was prepared so beautifully, and there is an art to making tea sandwiches. Thank you!” - *Patty Anderson, Montville Library Director*

“Just wanted to let you know that the food for my daughter’s baby shower was wonderful. Thank you for doing such a great job. My guests raved about the food.”
- *Maureen Bernard*

“As a working mom, it is awesome to be able to give my family a homemade gourmet meal on a daily basis. I’m still getting rave reviews for our last fully catered affair. You’re a hidden gem in Montville!!” - *Marcia Tarnoff*

“The party was a great success and everyone raved about the food. Our guests not only commented on the fact that the food was absolutely delicious but the presentation caught everyone’s eye. The entire experience of working with you was so easy and allowed my husband and I to enjoy the party as well. We will definitely call on you again or our next event, and have passed the word on to our friends. Thanks again!”
